KU COVID-19 Dashboard Data
Current LMH Health Inpatients Positive for COVID-19: 3
More Information at LDCHHealth.org and douglascountyks.org/coronavirus

- The new cases that we report each weekday are the ones we report to you as we know about them — when the COVID test result is completed and we are informed by the KDHE that the person is positive. The 14-day moving average graph shows when the COVID test was performed on each positive case, which is a standard measurement.
