

Fatherhood Initiative

*The **Healthy Dads** program in Douglas County provides the skills and knowledge men need to build positive, lasting relationships with their children. It also builds a healthy and civil relationship with their children's mother and to strengthen job skills. Join the community of caring fathers.*

The program:

- Is for fathers by fathers
- Offers support and mentoring
- Provides financial forgiveness for child support arrears

Develops:

- Personal and professional skills
- Goal development
- Employment

The ongoing **10 week** dads group meets 6:30-8:30 p.m., every **Tuesday** at the Community Health Facility, 200 Maine Street, 1st floor meeting room
FREE and open to any father or father figure in Douglas County!
